**Re: *In re Grand Jury Subpoena, No. 19-1287 (4th Cir.)***

Dear Ms. Bennett:

As directed by this Court (ECF No. 3), the United States respectfully submits its position that the case does not need to remain under seal. After the Court issued its notice, the district court unsealed the case below. A number of filings and transcripts, however, remain under seal by order of the district court. *See In re Grand Jury Subpoena for Chelsea Manning*, No. 1:19-DM-3-CMH-1 (E.D. Va. Mar. 20, 2019) (ECF No. 26). In submissions to this Court, the United States will abide by Local Rule 25(c) in filing materials containing sealed information, and it expects Appellant to do the same.

Respectfully,

G. Zachary Terwilliger  
United States Attorney
